

## Make Up Your Mind

Makeup Your Mind deftly combines cult favorite cosmetics designer Francois Nars two remarkable talents - makeup and photography, both of which he uses in this collection to stunning effect - to show women how to enhance their natural beauty. Designed by renowned graphic artist Fabien Baron to be the ultimate makeup how-to book, Makeup Your Mind is a comprehensive compilation of Before and After photographs, each containing instructional acetate overlays, covering almost every face type, complexion, eye color, and facial feature found on the runway today. Makeup Your Mind is also a revolutionary instruction manual on makeup from one of the most respected and imitated cosmetics artists in fashion today: a makeup book designed and constructed as a durable paperback companion suitable for the vanity or for the car, sliding in and out of its attractive hardcover binder as needed, containing precise instructional guides on clear plastic overlays indicating exactly what goes where, allowing you to see the finished effect for perfect results. Summarizing each chapter on Eyes, Lips, Neutrals, Shimmer, Monochrome and Suntan, Pastels, Color, and Skincare are Francois Nars trademarked guidelines on the technique of applying makeup for that dazzling NARS look. Showcasing the famous NARS look are today's top models, including Karen Elson, Maggie Rizer, Naomi Campbell, Devon Aoki, Trish Goff, Erin O'Connor, Sophie Dahl, May Anderson, Ling, Aurelie, Missy Rayder, Elsa, Caroline Ribero, Eva Herzigova, and many others. Makeup Your Mind features these women and more in 63 stunning Before and After pictures. All of the models were shot sans makeup for the Before pictures, displaying their bare-naked faces replete with imperfections and idiosyncrasies. Their transformations in the After pictures span from natural and

elegant to fun and outrageous. In superb four-color photographs and brilliant acetate instructional guides, Makeup Your Mind demonstrates how makeup can minimize flaws and maximize beauty potential for every woman.
