

100 Questions & Answers About Myeloma, 2nd edition

Revised and Updated! Whether you're a newly diagnosed myeloma patient, a survivor, or a friend or relative of either, this book offers help. The only text to provide the doctors and patients' views, 100 Questions & Answers About Myeloma gives you authoritative, practical answers to your questions about treatment options, post-treatment quality of life, sources of support, and much more. Written by a hematologist-oncologist specializing in myeloma treatment, and featuring insider advice from an actual patient, this book is an invaluable resource for anyone coping with the physical and emotional turmoil of this frightening disease.
