Little did she know, but she was about to get a lot more than she bargained for...! The first day for the twenty-two year old started with her stuck in traffic, going nowhere fast. The day ended with her completely wrapped up in the secret, sexy world of Paul Hart, a handsome C.E.O. with a net worth and a sexual craving higher than Olivia could have ever imagined before the day started. Olivias new job will take her on a wild ride of pleasure and sinful delights. Shes about to get a crash-course in the life and desires of the most powerful man she has ever met. Will she be able to keep up?! Volume Two - To The Limit After her wild and kinky late night encounter with the wealthy CEO Paul Hart, Olivia couldnt get him, his good looks or his erotic desires out of her head. But why would he want to date her, when he could date models and movie stars? She was just the girl next door and why would a good girl like her want a man like him? No matter his reasons, she couldnt stop thinking about him, the kinky things they did, and how she was willing to do anything for him. Will he put her loyalty to the test? Volume Three - Lap of Luxury Olivia falls deeper into the lifestyle of billionaire Paul Hart, as he surprises her with things shes never experienced before. She discovers the perks of his luxurious lifestyle and even more about his darker, kinkier style. Shes falling for him hard, and not just because of his looks or his money. Everything seems too good to be true...and maybe it is. Can she survive his deepest sexual desires, as well as the threats from the other women who want him? Volume Four - Final Decision In the

final chapter of this erotic saga, Olivia has to decide whether she wants to fully commit to Pauls lifestyle, and all of the trappings that come with it, or whether she would be better off alone. Can she be the crazy, wild woman that he wants in the bedroom? Or does she just want a normal boyfriend with normal sexual desires? Now is the time for her to decide! Does she quit her job at Hart Technologies Inc or does she go all in and see where the relationship with the billionaire C.E.O takes her? Fans of Bella Andre, Rachel Gibson, and Kristan Higgins will love this steamy, spicy romance series with strong, independent woman and sexy alpha heroes.
