The Complete Guide in Chakra Energy, Chakra Balancing and Strengthening Chakras! Today only, get this Amazon bestseller for just \$0.99. Regularly priced at \$4.99. Read on your PC, Mac, smart phone, tablet or Kindle device. You're about to discover how to... Chakras are the energy centers present in our bodies. They're the open positions for life energy to pass into and out of our aura. Their purpose is always to give strength and energy to the body and to make the progression of our self-consciousness. They connect with our bodies, psychological and mental communications. As the title explains, this book is for all those who are just getting started their journey of self-development. Chakras for Beginners will take you through all of the seven major chakras consequently, explaining their specific qualities and their importance in your life. To guide you in the understanding process, there are actually healing methods for you to follow and self-consciousness concerns to answer. You'll find better techniques to support you on your expedition. When all of your chakras are in line your energy moves openly from head to toe and life is great, but if only one chakra gets hindered, things begin to swing off tune. This book discusses the principle of chakras in an easy and straightforward method. The chakras can be effective for anybody who practices the system. People will discover useful information in this book which is usually their stepping-stone towards spiritual maturity. Here Is A Preview Of What You'll Learn...
