

Halliwells Film Guide 2004 (Halliwells: The Movies That Matter)

The film guide Hollywood insiders refer to more than any other -- now newly updated with more than 23,000 film reviews. For twenty-seven years Halliwells has provided highly intelligent, sharply opinionated, and perennially entertaining reviews of all your favorite movies. From Casablanca to Moulin Rouge, from Lawrence of Arabia to The Matrix, each entry in this thoroughly revised and updated edition is filled with the most comprehensive film information available, including: Plot synopses, critical evaluations, and ratings ranging from no stars to four stars. Comprehensive lists of cast members, writers, directors, producers, and Academy Award winners and nominees. Quotes from contemporary reviews, original publicity tags, and alternative titles. DVD, VHS, and soundtrack availability, as well as computer-colored versions of the old classics. Easy-to-interpret icons indicating films appropriate for family viewing. Editor John Walker provides concise, insightful, detailed, and witty reviews in the outstanding tradition of Leslie Halliwell.
