

## Chez Nous; Branche sur le monde francophone / Student Activities Manual: (English and French Edition)

Available in print and in electronic format via OneKey, the SAM provides a range of 5-skills practice that reinforces and builds upon the material presented in the textbook. The workbook section of the SAM features sentence building and completion exercises, fill-ins, realia and art based activities, sequenced writing practice, reading comprehension activities, and additional practice with the cultural theme of the Venez chez nous! lesson. Correlated to recorded material on the Audio CDs to Accompany the SAM, the lab manual offers a progression of form- to content-based listening practice. The new video manual section provides pre, during, and post-viewing activities that focus students attention on both the linguistic and cultural content of the Chez nous Video.
