

## The Lost World (Fast Track Classics)

The Fast Track Classics series enables students to experience the pleasure of reading well-known classic novels. These shortened classic novels cater for every taste whether it is the delightful story of Little Women, the gripping adventure of Kidnapped, the compelling and poignant Phantom of the Opera, or the dark and mysterious drama of Jane Eyre. Each book is a manageable size, with short chapters and helpful illustrations. The introduction gives a synopsis of the plot and a short biography of the author. Carefully designed with lexical structures and vocabulary to match the ability of the student, Fast Track Classics still convey the essence of these powerful stories and lose none of their characterisation.
