

A History of Ethiopia: Volume I (Routledge Revivals): Nubia and Abyssinia

This, the first volume of Sir E. A. Wallis Budge's *The History of Ethiopia: Abyssinia and Nubia*, first published in 1928, presents an account of Ethiopian history from the earliest legendary and mythic records up until the death of King Lebna Dengel in 1540. Using a vast range of sources—Greek and Roman reports, Biblical passages, Egyptian hieroglyphs, and Ethiopian chronicles—an enthralling narrative history is presented with clarity. This reissue will be of particular interest to students of Ancient Egyptian culture, religion, and history.
