

Forgiveness: A Journey with Jesus

This authentic sharing of Raquels experience allows us to journey with her through the process of surrender through pain to Forgiveness. How often Ive been asked if forgiveness is an event or a process. This vulnerable account and willingness to openly share the deepest thoughts, feelings, fears, temptation, and moments of despair discloses her intimate path of healing. She screams from the acknowledgment of her limited ability to protect and her powerlessness to stop pain for the ones she loves. She comes to terms with her own humanity as she gives them over to her God.
