

# Adding Alligators and Other Easy-to-Read Math Stories: 25 Engaging, Reproducible Stories With Math Problems That Build Early Math Skills and Meet the New NCTM Standards

Connect math and reading! First kids read easy and adorable math stories; then they solve companion word problems that reinforce addition, subtraction, place value, patterns, shapes, time, money, and more. Includes lively illustrations and an answer key. A great way to introduce young learners to problem-solving strategies! For use with Grades 1-2.
