Discover The Secrets To Affiliate Marketing Success and Find Out How You Can Make Instant Affiliate Sales, Time and Time Again! ... Ill Show You How To Do The Whole Affiliate Marketing Thing - From Choosing The Hottest Products Through To Making Actual Sales... Dear Fellow Internet Marketer You probably already know that there is a LOT of money to be made as an affiliate. Lets face it - promoting other peoples products and receiving instant affiliate commissions goes down pretty well in anybodys book - but unless you know what youre doing, affiliate marketing can be pretty damn depressing... If youve ever signed up enthusiastically to an affiliate scheme, only to make ZERO sales after all your hard work, then youll know exactly what I mean. In truth, affiliate marketing is not that difficult to master - but it IS a skill that has to be learned and you know the old saying its only easy if you know HOW? ... Well - that is definitely the case! So - youre already sold on the idea of being an affiliate. Thats why youre here... What you really want to know is how YOU can become a successful affiliate marketer. Well, well get onto that in a moment. But first I want to tell you a little about where most people go wrong. You see, most marketers approach affiliate promotions in the wrong way... They are constantly chasing sales, making promo after promo - and (lets be honest here) theyre really peeing off their subscribers in the process. Its frustrating because theyre shooting themselves in the foot. By chasing after the money all the time they are actively alienating their audience and if they approached it in a different way theyd make SO much more money. Affiliate marketing is largely about becoming a trusted advisor. You want people to hang onto your every word and really believe in the products that you are recommending to them. If you can do this then theres the

potential to make a LOT of money as an affiliate. Introducing...
