

# Postpartum Depression / Postnatal Depression: The Basic Guide to Treatment and Support

You've had your baby ... so why aren't you happy? There are a lot of reasons you're feeling this way, but the good news is you don't have to keep feeling this way. This book will introduce you to the best that nature and science have to offer. You may have a Postpartum Mood Disorder (PPMD), a very common condition after the birth of your baby. These disorders can range from the Baby Blues to something deeper, including Postpartum Depression or Postnatal Depression. With treatment and support, these conditions are temporary. You will learn treatment and support tactics from some of the most remarkable women in their industry. Additionally, this book will provide you 7 Ways to speed up your recovery, enabling and empowering you to take control and enjoy being a mom. This book gives you the ability to use and develop a customizable combination of ways to overcome your depression. Each way or combination of ways can be used in tandem with the guidance of your healthcare professional. This 2nd Edition includes: \*Forward by Dr. Andrew Mayers \*Causes of Postpartum Mood Disorders \*7 Ways Treatment and Support Options \*Resources in the United States and United Kingdom \*Postpartum/Postnatal Depression in Men \*Remarkable Contributors and Expert Advice by: \*\*Vanessa Benson: an athlete, organizer, writer and guest speaker for #SpeakUpWhenDown in Los Angeles. She has been featured in the Los Angeles Public Service Announcement Speak Up When You're Down and on the LA County Perinatal Mental Health Task Force site. \*\*Dr. Jo Black: a perinatal psychiatrist and consultant. She is inspired by the power of women to recover. \*\*Laura Clark: a blogger & postnatal depression survivor. Her Blog The Butterfly Mother is dedicated to help anyone who is currently suffering to feel less alone. \*\*Ann

Douglas: the author of numerous books about pregnancy and parenting, including *The Mother of All Pregnancy Books* and *The Mother of All Baby Books*. \*\*Jutta Elisabeth Ellmer: a bestselling author with over 23 years of experiencing in Broadcasting Networks around the world. She considers herself a global citizen and specializes in non-fiction. \*\*Sue Fleming: a fitness expert and creator of the Buff Fitness She is a popular fixture in mass media touchstones such as USA Today, Cosmopolitan, US Weekly, and InStyle Weddings, as well as a sought after guest on ABS TVs Good Morning America. \*\*Amber Kuiper: the founder of Mommys Me Time, providing honest encouragement for moms in the everyday moment. \*\*Sarah Longacre: the founder of Blooma where pregnancy, birth, and motherhood take a deep breath Blooma serves as a haven for those passionate about birth and supporting mothers. \*\*Olivia Spencer: author of *Sad Dad: An Exploration of Postnatal Depression in Fathers*. *Sad Dad* was reviewed and recommended by the International Journal of Childbirth Education for providing significant contributions to the field of childbirth education. \*\*Amy Quinn: a writer who has worked with Women & Infants Hospital of Rhode Island, A Care New England hospital and one of the leading specialty hospitals for women and newborns in the US.
