

Be Bold and Walk Tall

Have you had disadvantages in life? Are you going through hard times? Learn how a little, mistreated boyborn and raised in poverty, hatred, and slavery became a mighty man of God. Learn how an eighty-year-old shepherd obeyed and led Gods people out of Egypt and to the edge of the Promised Land. These men had confidence and faith that God is good, that He is always right, and that He is in charge. They had the boldness to see themselves taller than any giant they faced. This book offers encouragement that we, too, can triumphantly walk in the plan and will of God for our lives.
