

## Bears in My Bed

It just doesn't get cuter and funnier than this tale of a little boy and two big, furry, friendly bears who start hanging around. Of course, Mama won't believe the animals are there, so it's up to the child to take care of the problem. Unbearably adorable pictures of bears playing under the covers, dribbling over food, relaxing in the bath, and going eye-to-eye with bunnies in the yard. ...bright colors and large shapes...have a poster-like impact.--Publishers Weekly.
