

## Bhagavad-gita: Bhagavad-gita as it is

Numerous commentaries have been written on the Bhagavad Gita with widely differing views on the essentials, beginning with Adi Sankaras commentary on the Gita in the eighth century CE. Commentators see the setting of the Gita in a battlefield as an allegory for the ethical and moral struggles of the human life. The Bhagavad Gitas call for selfless action inspired many leaders of the Indian independence movement including Mohandas Karamchand Gandhi, who referred to the Gita as his spiritual dictionary.
