

## Bhagavad gita (Spanish Edition)

Escrito originalmente en sánscrito por un autor desconocido, el Bhagavad Gita es uno de los Upanishad (libros sagrados) del hinduismo. Está compuesto por 700 versos divididos en 18 capítulos en los cuales el guerrero Arjuna formula preguntas que luego responde Krishna, reencarnación del dios Vishnu. A lo largo del texto se descubre el velo de las filosofías Védica, Yogi, Vedanta y Tantrica. También conocida como La canción de Dios, el texto se centra sobre todo alrededor de cuatro temas: yiva-atma (alma viviente), prakriti (materia), karma (deber) y kala (tiempo).
