

## Bird Wonders - Strangest Birds: Birds of the World

Birds have captured the imagination since the beginning of time. Their ability to fly while we are stuck on the ground has led to many myths and stories about their origins. A book about the wonders of birds will help a child's imagination literally take flight. They will be able to see into the mythical and realistic world of their favorite animals. Birds are so varied in size and color. A book will help them discover that world for themselves.
