

## Bones in the Basement: Surviving the S.K. Pierce Haunted Victorian Mansion

By the author of the Amazon best-seller *The Soul Collector* When Edwin Gonzalez and Lillian Otero purchased the historic S.K. Pierce Victorian Mansion in Gardner, Massachusetts, in 2009, they scoffed at the ghostly legends surrounding the house. They didn't believe in ghosts. The house soon proved them wrong. By the fall of 2011, they were forced from their house, narrowly escaping with their lives. Includes interviews from paranormal experts: Carl Johnson, Andrew Lake, Michael Robishaw, Lucky Belcamino, Marc Arvilla, and more. Forward written by Thomas D'Agostino. Contains photos, as well as audio and video links of evidence captured at the Haunted Victorian Mansion.
