

We Live Forever: The Real Truth About Death

P.M.H. Atwater was born in Twin Falls, Idaho, and died in Boise, Idaho. Yes, the author of this book died- three times to be exact. Since those experiences, she has traveled, studied, spoken and written about what happened to her and others when they died. Considered an authority on death, near death, and the afterlife, Atwater has written a book that gives details and deep insights into what really happens when you die and what it truly means. She also explores such mysteries as heaven and hell, the souls existence after death, the power of prayer, and delves into the truths and myths about death that may shed new light on the real truth about life and living.
