10. Sex Crimes: Breaking & Entering What can be said about a young couple that threw away a bright future for a life of crime? That they were narcissists or twisted souls? That they focused on wealth or fame? Not at all; it was the sensual rush of pure animalistic passion the two lovers felt when they were first wanted by the police. The thrill of being on the run and the thought of getting away became their aphrodisiac. Robbery was their drug and the couple was hooked on the first shot of adrenaline that sent heightened sensations deep within their core.
