

Survival Box Set: 79 Lessons to Live an Independent and Stress Free Life off the Grid + 15 Outstanding House Ideas. 33+ Items You Will Need to Stay Alive ... preppers survival guide, survival kits)

BOOK #1: Off Grid Living: 23 Techniques With Step-By-Step Instructions on How to Live Off-the-Grid and Survive in the Wild
Going off grid is a means of liberating yourself from the shackles of the way services are delivered today. But more than that, it is the freedom of the limiting thought of our current way of life. It is the opportunity to ensure that you meet all your needs for survival and in doing so you ensure that you are fully in charge of your own life. This guidebook is the start of that quest for freedom. In it you will learn how to: Build an off the grid home right where you are today, Survive in the wild without basic utilities, Take off grid living on the road with power and fuel, and Make sure your off grid lifestyle is sustainable so you never have to plug back into the Matrix again.

BOOK #2: The SHTF Stockpile: 33 Items You Will Need to Stay Alive When Disaster Strikes
What happens when it all hits the fan? Are you ready? What would it take for you to be ready? If you struggle to answer those questions, then you need to get prepared, right now. In this book you'll learn how to: Maintain food and water supplies, Protect and defend your home, Keep in contact with like-minded survivors for safety in numbers, Administer basic first aid to yourself and to others, and Keep yourself safe with the ultimate Six Must Have Survival Preps.

BOOK #3: The SHTF Stockpile: Items Every Bug Out Bag Needs for Survival in the Wild
Right now, you and your family are probably living comfortably in the current system. But all systems, all empires, come to an end sooner or later. Are you ready for the world when the current system collapses? The day is coming, soon or later, when the world will change dramatically and you should be ready for it. If you're a beginner in the prepping community, the prospect of getting ready for a world totally unlike the one you're used to living in can seem overwhelming. That's where SHTF

Stockpile comes in. BOOK #4: Living off the Grid: 15 Outstanding House Ideas For Living off the Grid For those seeking a break from the rat race, an amputation from the modern march of the world is often necessary. Cast off your shackles and relax into your new life of surviving on your wits and senses! You may wish to remove yourself from a part or all of modern life, you may find yourself exiled from the everyday due to illness or catastrophe or simply find your current neighborhood so tough to handle that you are going to go out of your mind if you dont find a change, a new way of living. BOOK #5: Off Grid Living: 23 Tips to Re-Assemble Your Life and Disappear Living off The Grid If you want to understand the meaning and benefits of the off grid living, read the Off Grid Living: 23 Tips to Re-Assemble Your Life and Disappear Living off The Grid. The book is designed for your guidance so that you can understand the importance of traditional resources and make yourself ready for different circumstances. The book explains various strategies to live off the grid by making all important arrangements. BOOK #6: Off Grid Living: 33 Lessons on How to Live an Independent and Stress Free Life off the Grid All of us at one point in our lives have dreamed of living the life of not paying taxes, electric bills, water bills or even rent. We have dreamed of everything being handed to us in such a way that we dont have to worry about the stresses of our lives.
