

Man: The Dwelling Place of God

As Gods self-knowledge lies in the eternal Spirit, so mans self-knowledge is by his own spirit, and his knowledge of God is by the direct impression of the Spirit of God upon the spirit of man. In the heart of every Christian is the dwelling place where the Triune God desires to fellowship with his people. Tozer explores this truth with brilliant insight and care for Gods people. It is no wonder that this book has provided encouragement and comfort to Christians for over a century! This electronic edition features an active table of contents.
