

Utah Civics Test

This valuable study guide has been formatted to be easy, clear and inexpensive. The 100 civics questions are presented in 4 different ways: 1. Regular Question/Answer format: (each question is followed directly with the answer). This format is helpful when you first start studying the questions and answers. It gives you a birds eye view of the questions and answers. 2. Historical order (Logical Order): The same 100 questions and answers are rearranged in a logical, historical order. This helps you see the relationship among the questions and helps you to better remember the answers. 3. Question on one page and the answer on the following page. This allows you to test your memory and makes memorizing the questions and answers both easy and fun. 4. All the civics cards are also formatted so that they can be cut out for easy learning. In addition, this book provides a list of helpful web addresses and an interesting historical timeline of the state.
