

???:64????????? You Must Know: 64 Tips for Nourishing Kidney (Chinese Edition)

???:64?????????You Must Know: 64 Tips for Nourishing Kidney is written by Professor XIAO Xiangru- famous Chinese medicine expert in nephrology. He used to be the first Nephrology Dr. of China Academy of Chinese Medical Sciences and taught in well-known Institution of Traditional Chinese Medicine- Beijing University of Chinese Medicine. Now he is doctoral tutor and provides expert outpatient service in several hospitals. For years, Professor Xiao has cultivated many excellent students all over the country. His students have taken up working posts successively and played important role in medical industry, field of scientific research and education respectively. Professor Xiao has been praised by patients owing to his medical skills and ethics. Many patients seek medical advice from him out of admiration; some patients even pin their last hope on him of curing illness. Professor Xiao is a diligent man. Though he has become doctoral tutor, he still insists on spending a lot of time reading Chinese classic works and works from all parties to further expand his knowledge with efforts.
