

## Colloquial Thai (Colloquial Series)

Colloquial Thai provides a step-by-step course in Thai as it is written and spoken today. Combining a user-friendly approach with a thorough treatment of the language, it equips learners with the essential skills needed to communicate confidently and effectively in Thai in a broad range of situations. No prior knowledge of the language is required. Key features include:

progressive coverage of speaking, listening, reading and writing skills  
structured, jargon-free explanations of grammar  
an extensive range of focused and stimulating exercises  
realistic and entertaining dialogues covering a broad variety of scenarios  
useful vocabulary lists throughout the text  
additional resources available at the back of the book, including a full answer key, a grammar summary and bilingual glossaries

Balanced, comprehensive and rewarding, Colloquial Thai will be an indispensable resource both for independent learners and students taking courses in Thai. Course components:

The complete course comprises the book and audio materials. These are available to purchase separately in paperback, ebook, CD and MP3 format. The paperback and CDs can also be purchased together in the great-value Colloquials pack.
