

Congratulations! You Are Self-Employed: Part Two - Starting an Online Business

Should you be self-employed? This little book will help you understand what it means and then, make an informed decision. If the decision has already been made, congratulations! The book will help you move forward successfully. It takes you step-by-step through the basics of what you need to do to set up your business:

1. Structuring the Business
2. Legal Issues and Taxes
3. Organization and Scheduling
4. Putting It All Together

Read each section carefully and take action right away! The better the foundation, the more solid your business will be. Good Luck!
