

## Film Study - 180 day Journal: Do-It-Yourself Homeschooling

Many homeschooling families watch educational videos, documentaries, tutorials and historical films to enrich the learning experience! You may even use YouTube videos as part of your learning plan! This journal makes all that learning count and helps your child to learn how to study films! You know that your child loves to learn from watching films, this book will help your child to make all of those videos a valuable and documented part of their daily curriculum. It seems like everything you need to know can be learned on Youtube now, just be sure to take the time to help your child to take notes about each video that they watch. this journal is a 180 day plan so that you can document one video each day for the entire school year. For ages 7 and up!
