

Destination Heaven: And My Journey Back to Life

Destination Heaven and my journey back to life is an inspiring and profound account of the day Beth Peterson was struck and killed by a lightning bolt while on patrol at US Army Fort Benning, Georgia. She was subsequently accompanied to the majestic realm of Heaven by three angels and while there was given the choice to return to her life on Earth or remain in the peaceful serenity of her afterlife. Though she faced many hardships after returning through the strength of her faith and her trust in God Beth has triumphed over many obstacles. She shares her story around the world, motivating others with accounts of her time spent in Heaven and the lessons learned from God.
