

ADHD Children: Taking Charge of ADHD for Parents, Teachers & Everyone Else (ADHD Children, ADHD Adult, ADHD Parenting Book 1) (Volume 1)

Discover Exactly How to Manage the Behaviour of Children & Youth with Attention Deficit Hyperactivity Disorder (ADHD) Having to cope and deal with children and youth with ADHD is not an easy matter for parents, teachers, and for the general public. Behavioural problems displayed by children and youth affected with ADHD could be embarrassing, stressful, and depressing not to mention frustrating for parents and teachers alike. ADHD is common among children and continue on to youth life and may persist into adult life. Manifestations of ADHD behavioural problem do not choose places and happens at home, in school, and in social activities. Behavioural problems displayed by children and youth with ADHD could pose a great challenge to parents and teachers. Advances in research have made it possible for parents and teachers to cope and deal with attention deficit hyperactivity disorder of children and youth through medications and behavioural management. This book is structured in such a way that can enlighten parents, teachers, and the general public on what anxiety deficit hyperactivity disorder is about. Reading the book widens the perspective of parents and teachers on ADHD. Understanding ADHD would also teach parents and teachers to accept ADHD as a behavioural disorder and begin to treat children and youth afflicted with ADHD with respect for their individuality and humanity. The behaviour management program mentioned in the book and that can be adopted at home by parents and in school by teachers play a great role in reducing symptoms of anxiety deficit hyperactivity disorder and reduce the stress and frustrations experienced by both parents and teachers alike. ****ADHD: Taking Control of ADHD for Parents, Teachers, and Everyone Else!!!
