Has Your Struggle Against Sin Become a Truce? This is the book for Christian men who have read all the books on every mans struggle, attended all the conferences, installed all the anti-porn software, spilled their guts to accountability partners - yet are still getting beat up by more than temptation. It describes that missing piece of the puzzle (the one we silently avoid!) necessary to evict the spirits that deceive us. Drive Out the Spirits That Masquerade As Your Own Thoughts No Demons, Please... Were Evangelical is the personal testimony of an evangelical written for evangelicals. It describes how a seminary-trained pastor (with as many qualms as you about the potential excesses of spiritual warfare) was delivered from demonic deception and delusion. This book is for every man who is tired of living in a prison with no locks on its doors and wants to kick the enemy out of his house.
