

Faith (The Amish Buggy Horse) (Volume 1)

For years, Nettie looked after her aged mother Elma, a demanding woman who did not want any involvement with the community. Now that her mother has died, Nettie is alone. She is regarded with suspicion by the local townspeople, and has had no visitors from her community for some years. Nettie's buggy horse has gone lame and has had to be retired, but Nettie cannot afford a new horse. Just as Nettie is despairing about not having any means of transport, a lost horse appears in her driveway, bringing with him far-reaching consequences. Daniel Glick is drawn to the lonely figure of Nettie, but Nettie wants to be left alone. However, when Jebediah Sprinkler tries to force Nettie to hand over her house, Daniel springs to the rescue. As Nettie's struggles mount, she has to decide whether to take the law into her own hands. And what will Daniel do when he discovers the secret that Nettie is hiding from him?
