

American Women Civil Rights Activists: Biobibliographies of 68 Leaders, 1825-1992

Ranging from such pioneers as Elizabeth Blackwell, Mary L. Bonney, Kate Barnard, Mariana Bracetti, and Amelia Stone Quinton, to contemporary figures such as Iola M. Pohocsucut Hayden, Rosa Parks, Angela Davis, and Shirley Chisholm, these 68 women have worked passionately for civil rights in the United States. The issues that they have championed have been as varied as the women themselves: African Americans, Latino Americans, Native Americans, children, lesbians and gays, adoptees, older adults, differently-abled persons, prisoners, education, political reform, health issues and many others. Many have been active in womens rights and suffrage issues.
