

The Social Animal (Chinese Edition)

A story about love, characteristic and achievement. We believe it is the best story youve ever read. It has involved in various fields but, the author combines the boring scientific and psychological achievements into sociology, politics, cultural critics and literature, to illustrate the life of two successful men, for the purpose of indicating the reasons of love, characteristic and achievements. Actually, the major influence to us is not the thinking of conscious but the thinking in the subconscious. After reading the story, you will holds a new conception to the people around, meanwhile, you will find out the effective methods of cultivating children, operating business and understanding national polices.
