

Stories Remembered

Originally written as a series of messages in worship, this presentation of a sequence of Bible stories told from the viewpoints of key Biblical characters is intended to lend itself to a variety of uses, including private devotions, group Bible studies, and dramatic presentation in costume.

Growing up, Lloyd E. Brockmeyer cut his spiritual teeth on simple Bible stories, often enhanced by accompanying colorful pictures, adding to the impressions made in hearts and memories. Through sixty years of ministry, he feels privileged to have been able to share these stories with others.

Stories need to be told. They often connect us with our roots. They can inspire us to measure up to past heroes or humble servants. They can help us mirror the characteristics that serve life at its best I am excited to help some Bible characters tell their unique stories. My prayer is that the Bible will come alive with new meaning and inspiration as stories are remembered.
