

# Fantasy Football for Smart People: How Fantasy Football Pros Game Plan to Win

Fantasy Football for Smart People: How Fantasy Football Pros Game Plan to Win is a comprehensive look into the methods, numbers, and information utilized by the top fantasy football players in the world. Based upon a scientific approach to fantasy football, the book will take you through how fantasy footballs prosthose truly pro?ting big bucks from the gametake home fantasy championships year in and year out. Starting with preseason research and moving to complex draft techniques and ?nally in-season strategies, Fantasy Football for Smart People: How Fantasy Football Pros Game Plan to Win is built around the belief that everything you think you know about fantasy football should be questioned and tested. You'll learn which stats are most important to fantasy owners, how to understand and embrace the randomness inherent to the game, why some draft strategies are better than others, and most important, how to make the most accurate predictions possible so you can ?nally transform into the dominant fantasy owner you were meant to be.
