The United States-the Olympics and Goodwill Games champion-hosted soccer's fourth Womens World Cup in eight cities during the summer of 1999. Readers will meet the pioneers of the sport who have transcended this traditionally male bastion to make soccer as popular and meaningful to girls as it is to boys. Features by the worlds top soccer journalists portray the real soccer moms such as USA team captain Carla Overbeck (mother of two), star players Mia Hamm and Kristine Lilly, who have proudly represented the USA since they were 16 years old, and Julie Foudy, who battled her sponsor to prevent soccer balls being made by child labor, make this a book about role models for all Americans.
