

Forever (Sexperience Book 2)

I thought I heard your voice this morning...I'll keep that with me as it's all I've got left! His tired old body riddled with arthritis and cancer, William reminisces about his 60-year love affair with his wife Beverly as she lay dying in the hospital. From their first encounter as curious teenagers at the Fall Social to the greatest disappointment of their lives, William and Beverly's relationship is defined by a phrase that is often taken for granted...For Better or Worse! How long will your love last?
