

Food Allergies on the High Seas (Captain Jacks Peanut-Free Pirates)

Meet Captain Jack and learn how to become a part of his Peanut-Free Pirate crew. Even on the high seas, food allergies can be handled safely by following the ten simple rules of the Peanut-Free Pirate code. Written in a friendly and interactive style, Food Allergies On the High Seas is geared toward children ages 2-10 years old. The content is written in a way that's easy for children to understand, with a bit of pirate speak mixed in for fun. The characters are pirates, but they are cute and relatable to children. The design is bold with bright colors and high contrast black and white, so the pages stand out when read to a group or preschool/elementary classroom. Book includes a tear-out Peanut-Free Pirate Code that can be hung in a classroom or on a refrigerator, stickers to wear on a shirt, lunchbox or snack and a tear-out treasure map just for fun.
