

Glutathione: The Ultimate Antioxidant

Glutathione, pronounced gloo-ta-thigh-on and known as GSH, just might be one of the most extraordinary overall health-boosters of modern nutritional medicine. GSH may help with everything from heightened immune system functioning to overcoming addictions to anti-aging. It is a natural protein found in many fruits and vegetables that acts as nature's policeman, rounding up and neutralizing the toxins that pollute our systems-- and cause countless chronic health problems-- to keep our cells, and selves, healthy and disease-free. Through nutritional supplements, individual treatment plans, and delicious recipes designed to boost GSH in the bloodstream, Dr. Alan H. Pressman helps you battle: *allergies *arthritis *asthma *cancers *cataracts *chronic fatigue syndrome *digestive problems * heart disease *HIV *hyperactivity *infections *jet lag *mood swings *muscle pain *skin problems * weight gain *and much more! Detoxify your system with glutathione and watch the amazing results!
