

Nick Anderson Time Flyer: The American Revolution (Black and White Edition)

Nick Anderson is a Timeflyer. His job is to keep history as it is written today. Every member of his family has or will be at every major event in history. His grandfather helped to build the Pyramids. In this story he is there to help the Americans win the Revolutionary War. He can do this with the help of Window, a marble window frame possessed by the Spirit of Time. She is ancient, made by an extinct race of wise men.
