

Great Organ Transcriptions: 26 Works by Liszt, Saint-Saens, Bach and Others (Dover Music for Organ)

A brilliant anthology of virtuoso works that will delight serious organists, this collection of 26 arrangements from the scores of the great composers encompasses true masterpieces of the transcribers art. The transcribers include such experts as Liszt, Saint-Saens, Guilmant, Vierne, and Best, treating the music of Chopin, Schumann, Debussy, Vivaldi, and many others. Highlights include the Chaconne from J. S. Bachs second Partita in D Minor for solo violin; Brahms Hungarian Dance No. 5; Handels The Harmonious Blacksmith and the Hallelujah Chorus from Messiah; Rossinis William Tell Overture; The Swan from Saint-Saens The Carnival of the Animals; three Danses caracteristiques from Tchaikovskys ballet The Nutcracker (featuring the ever-popular Dance of the Sugar-Plum Fairy); and Wagners Bridal Chorus from Lohengrin. Editor Rollin Smith supplies an informative Introduction, with notes on the history of each piece.
