

## Haunted Auburn and Opelika (Haunted America)

The Auburn and Opelika region is home to one of the most historic universities in the South. It is a region with a history stretching back generations, and it is a history that is very much still alive. Chilling remnants of the past continue to haunt Auburn-Opelika and the communities of Lee County. Join expert ghost hunters Faith Serafin, Michelle Smith, and John Mark Poe as they reveal for the first time the stories of the spirits still lingering throughout the area. The haunting of the University's Samford Hall, the legend of historic Springville mansion, and the Headless Man of Highway 80, among many other ghostly tales, uncover the darker side Auburn-Opelika.
