

Hot Chocolate for the Mystical Teenage Soul

Empowering stories of ordinary teenagers who have extraordinary experiences. When we least expect it, moments of miracle, mystery, and magic happen to us, often changing the course of our lives. In her hugely successful Hot Chocolate series Arielle Ford has captured this phenomenon and made it resonate with readers everywhere. Now, she focuses her true stories of transformation on teenagers, whose yearnings, fears, and conflicts often go unaddressed. In *Hot Chocolate for the Mystical Teenage Soul* Ford has collected 101 true stories of mysterious experiences involving angels, miracles, near-death experiences, divine interventions, and miraculous healings that have happened to teenagers from all walks of life. The result is a book that offers hope and insight at a time when being an adolescent is more difficult than ever before. Cutting through society's cynicism and pessimism, *Hot Chocolate for the Mystical Teenage Soul* makes for a gift of love from parents to their adolescent children. Foreword by Gotham Chopra
