

BIBLE Counseling

In a lively mixture of biblical application and common sense, this book shows how the Bible really does have the answers to the daily problems of life. The type of counseling outlined in this book is not only for pastors and Christian counselors, but for each Christian in the pew. Put into practice, these simple techniques and ideas can transform your church and your own life! The work is based on Open Arms Internet Ministry, one of the longest running ministries in Yahoo! Chat.
