

# Language Learning: Free Your Tongue: How to improve your Fluency and Confidence in ANY language Fast

WE CAN all speak, but when it comes to a second language most often WE WONT speak. Even after years of studying and practicing another language most of us are uncomfortable and even nervous having conversations in another language. This problem is universal regardless of what language you speak. Speaking another language is difficult, but becoming fluent is possible for everyone. With straight forward, no nonsense explanations this book is designed to build your confidence, motivation and fluency. With over a decade of teaching and using a foreign language, Graham Alexander explains why: MORE STUDY DOES NOT MEAN BETTER LANGUAGE ABILITY. KNOWING A SECOND LANGUAGE AND USING A SECOND LANGUAGE ARE TOTALLY DIFFERENT. This book hacks into how your mind works and how you can program yourself to enjoy learning and speaking even if you are nervous. `Free Your Tongue How to Improve Your Fluency and Confidence in ANY language FAST allows you to unlock your voice and speak with ease. With simple, straightforward and easy to understand explanations, this book is designed for anyone from the high school student and older. A must read for any international businessman, overseas student, expat or language learner! With literally millions of personal and professional second language conversations behind him, Graham Alexander shares his understanding of the habits we all have that sabotage our second language production. Included are easy to use tips and exercises to stop bad habits and get you speaking and interacting with confidence. `Free Your Tongue How to Improve Your Fluency and Confidence in ANY language FAST gives simple guidelines and advice which if followed closely will transform the humblest and shyest of speakers into a confident communicator.
