

## 50 Things to Know About Writing for a Living: How You Can Make Money Writing

Do you love to write and want to know how to make money doing so? Have you dreamed about being able to make a living working from home? Is there something that you are passionate about and that you want to tell others about? If you answered yes to any of these questions then this book is for you... 50 Things to Know About Writing for a Living by Amanda Walton offers a straight forward approach to being able to earn an income while writing. Most books on making money from home tell you to purchase a membership or pay for a service. Although theres nothing wrong with that, these things will cost you money up front but with writing from home there are no expenses to pay and you can start earning money as early as today. Based on knowledge from the worlds leading experts you will learn how to make money from home by simply writing about things that interest you. In these pages youll discover how you can make a living or earn extra income simply by writing. This book will help you with tips to get started, things you should know, and areas of discovery that you might not have thought about. By the time you finish this book, you will know whether or not you can make a living writing and how to get started if you want to. So grab YOUR copy today. Youll be glad you did.
