

Israel & Kenya - 50 Years and Beyond

A unique relationship between Israel and Kenya which like wine gets better with age, lots of coincidence,, destiny fate or perhaps fortune. Israel was the first country to raise up her embassys foundation stone in the soil of pre-independent Kenya on 9th December 1963, exactly 3 days to Kenyas independence celebrations on 12th December 1963. As such a very unique relationship which directly coincides with Kenyas independence. Everyone wants to know what transpired for the last 50 years, Enter Israel & Kenya, 50 years and beyond. Israel & Kenya - 50 years and beyond is a descriptive memoir of Israels relations with the nation of Kenya for the last 50 years and more so Israels contribution in Kenyas development for the first 50 years of Kenyas independence. Delve in and find out what has happened between the two countries in Agriculture and Water Technology, Health, Security as well as a descriptive timeline of the relationship and a suggestion brief on what can become beyond 50 years.
