

Improve Attention Deficit Disorder (ADD) / Attention Deficit Hyperactive Disorder (ADHD) Subliminal CD - Get Better Focus, Concentration and Attention Span

If you want to improve your attention span, maintain your focus, sit still comfortably and prevent your mind from wandering; then this CD can help you now! Simply listening to this subliminal CD is an amazing and effective way to overcome ADD & ADHD. Play it in the background while you work, play, relax or sleep. Beautiful music and ocean waves are the only audible sounds you hear while powerful affirmations and hypnotic suggestions soak into your subconscious mind. You'll find your inability to focus and complete a task decrease greatly. You will enjoy more focus, more clear and concise memory, less boredom with classes and learning, and the ability to recall special information necessary when needed. You will gain more confidence about your work and abilities. You will become excited about learning & doing new things! This Subliminal CD was produced & created using the most sophisticated digital recording & processing available today. The background provides ocean waves & beautiful synthesizer music to enhance your relaxation. You hear no audible words or voices. You can allow this recording to play over & over again while you sleep, relax or prepare for sleep. This subliminal product contains hundreds of positive affirmations recorded onto one relaxing CD. Although the words aren't audible, they are there and they are powerful! The affirmations are masked by beautiful music & soothing ocean waves. Meanwhile, as you focus on something else, or just while relaxing, the subliminal affirmations take hold in your subconscious mind. The affirmations are powerful & designed to bring about safe, healthy & permanent changes in your life. With so many subliminal products on the market, be cautious to purchase only REAL subliminal recordings with NLP (NeuroLinguistic Programming) affirmations. Proper production, recording,

scripting, & duplication are vital in creating such a powerful product. Use only the BEST! Trust Mind Design technology & expertise.
