

## Influence - Science and Practice - The Comic

Over two million readers have armed themselves with the knowledge in this book. Dark forces seek to turn society into unthinking automatons by the use of weapons of mass influence. In this graphic adaptation of his best-seller, Robert B. Cialdini becomes society's best hope in combatting compliance professionals throughout the world. He leads a team of special forces through a battleground filled with psychological sneak attacks designed to elicit pre-programmed responses from unknowing victims. Now available in fixed layout on devices that support it.
