

Song Divine: Christian Commentaries on the Bhagavad Gita (Christian Commentaries on Non-Christian Sacred Texts)

Christians have long encountered those of other religions in our daily lives. But how many of us have thought to read the holy texts of other faiths in order to better understand our own? The Song Divine, a commentary on the Bhagavad Gita, is the first book in a brand new series, Christian Commentaries on Non-Christian Sacred Texts. Ten authors offer essays connecting this Hindu text to elements of Christian thought, including the book of Ephesians, the Spiritual Exercises of St. Ignatius, and the writings of Simone Weil. Contributors include Michael Barnes, S.J., Maria Clara Bingemer, Bart Bruehler, Francis Clooney, S.J., Catherine Cornille, Gavin Flood, Reid B. Locklin, Rachel McDermott, Joseph S. OLeary, Jaques Schueuer, S.J., and Steven Tsoukalas
